**STATEMENT OF COMMITMENT**

Southwestern College is an *intentionally Christian* college whose faculty, staff, and administration seek to provide students an educational experience that develops the student's head, heart, and hands for God's intended purposes. Southwestern College seeks to bring glory and honor to Jesus Christ throughout its operation. As a guide for these purposes, Southwestern students must honor the policies and procedures outlined in the College catalog and in the Student Handbook.

Enrollment in Southwestern College indicates that the student agrees to live in harmony with the policies published in the Southwestern Student Life Handbook and any updated addendums. These guidelines remain in effect for all registered students, living on or off campus. This does not include fall, Christmas, spring, and summer breaks. However, it is our desire that a Southwestern College student will display Christ-like character in all things. Personal convictions may occasionally differ from these policies; however, enrollment at Southwestern assumes the student's willingness to submit to the school's convictions and standards.
